

Soccer Uniforms

In the picture there are two players.

One is on the home team and wears a bright, light colored uniform. The visiting player wears a darker colored uniform.

Choose you own colors for each uniform and color the picture below.

Uniform colors show which team you are on, but the different parts of every uniform have special purposes.

What do you need under the socks for safety? _____

What do you need to wear for safe kicking and running? _____
