

Two's Company, Three's a Team – and a Triangle

The Triangle is a great shape to know if you're a soccer player. It can help you score, attack and defend. In 3-a-side soccer, the triangle is used a lot. After all, a triangle does have 3 sides.

Note: Have a ruler handy

Draw 3 straight lines to join the players who have short sleeves.

It should form a triangle.

Color the triangle red. This is one team.

Draw 3 straight lines to join the players who have long sleeves.

It should form another triangle.

Color this triangle blue. This is the opposing team.

Circle the color of the biggest triangle.

RED or **BLUE**
